Please be informed that my son/daughter wishes to return on his/her own to Lugano, Switzerland from the Academic Travel course destination following the official end of the Academic Travel course.

I hereby certify that while my son/daughter is traveling independently, he/she will be personally responsible for his/her own well-being and personal expenses. I further release Franklin College Switzerland from all claims, responsibility and causes of action for damage while the student is traveling independently.

IMPORTANT – Please note: This form should be returned with parental signature directly to the student. Independent travel from the course destination is trip dependent and subject to professor approval. If the professor is allowing independent travel from the course destination at the completion of the course, the required form with parental signature shall be submitted by the student directly to the professor by the deadline. Forms submitted after that deadline will presumably be denied and the student will be expected return with the group to Lugano.

The student is responsible for submitting the form to the professor. Forms shall not be sent directly from the parent to the professor as the professor needs to meet with the student to approve the independent departure.
